MS Outlook Practical Tasks & Workflow Documentation

Computer Applications Practical Examination | Question 5 Response (16 Marks)

State of Suitable Assumptions:

- **Email Software Used:** Microsoft Outlook 365 / Outlook Desktop Application.
- **Group Members (4 Friends):** Rahul Sharma (`rahul@example.com`), Priya Verma (`priya@example.com`), Amit Kumar (`amit@example.com`), and Sneha Patel (`sneha@example.com`).
- **Sender Details:** Student / User (`student@university.ac.in`).
- **Junk Email Target Account:** `spammer@junkmarketing.com`.

PART (A): RECURRING WEEKLY MEETING SCHEDULE (GROUP STUDY)

Task Requirement: Create a weekly meeting schedule for 4 friends titled "Group Study Schedule" for 3 consecutive weeks.

Sequence of Steps Performed:

1. Opened MS Outlook and clicked on the **Calendar** icon in the navigation pane.
2. Selected **New Meeting** from the Home ribbon tab.
3. In the Title field, entered `Group Study Schedule`.
4. In the **Required Attendees** field, added email IDs of all 4 friends: `rahul@example.com; priya@example.com; amit@example.com; sneha@example.com`.
5. Set Start Time to `10:00 AM` and End Time to `12:00 PM`, choosing the coming Saturday as the first date.
6. Clicked on **Recurrence** in the ribbon bar. Selected Recurrence Pattern as **Weekly**, set "Recur every 1 week(s) on Saturday", and selected **End after 3 occurrences**. Clicked OK.
7. Added Location as `Central Library / Microsoft Teams` and clicked **Send**.

📅 **MS Outlook - Meeting Window Output (Simulated Screenshot)** **[Recurrence Active]**

Title:	**Group Study Schedule**
To (4 Friends):	Rahul Sharma; Priya Verma; Amit Kumar; Sneha Patel
Recurrence:	Occurs every Saturday effective 10:00 AM to 12:00 PM for 3 weeks
Location:	University Central Library - Room 204 / Teams

PART (B): EMAIL INVITATION WITH CUSTOM SIGNATURE

Task Requirement: Write an email inviting 4 friends to the group study and attach a custom signature.

Sequence of Steps Performed:

1. **Creating Signature:** Navigated to *File* > *Options* > *Mail* > *Signatures*. Clicked **New**, typed name as "Academic Signature", entered text with contact details and designation, and saved it as default for new messages.
2. **Composing Email:** Clicked **New Email** from Mail View.
3. Added the 4 friends' email addresses in the **To...** field.
4. Entered Subject as `Invitation: Weekly Group Study Session`.
5. Drafted message body, verified automatic insertion of custom signature, and clicked **Send**.

To: rahul@example.com; priya@example.com; amit@example.com; sneha@example.com

Subject: Invitation: Weekly Group Study Session

Dear Friends,

Hope you are doing well. As discussed, we are starting our weekly **Group Study Sessions** for the upcoming semester exams. The meeting has been scheduled for three consecutive Saturdays from 10:00 AM to 12:00 PM.

Please join on time so we can cover the syllabus systematically.

Best regards,

Student Name
B.Sc. Computer Science (Final Year) | Reg. No: 2026-CS-104

PART (C): INVITATION MESSAGE ON "FUTURE OF COMPUTING"

Task Requirement: Compose an email inviting friends to a discussion on the future of computing.

Sequence of Steps Performed:

1. Clicked **New Mail** in Outlook. Populated **To...** field with group contacts.
2. Entered Subject as `Discussion Invitation: The Future of Computing & Emerging Technologies`.
3. Drafted a formal invitation highlighting key agenda points (Quantum Computing, AI, Edge Systems).
4. Clicked **Send**.

✉ MS Outlook - Future of Computing Message Output (Simulated Screenshot)

To: rahul@example.com; priya@example.com; amit@example.com; sneha@example.com

Subject: Discussion Invitation: The Future of Computing & Emerging Tech

Hi Everyone,

I am organizing an informal round-table discussion on **"The Future of Computing"**. We will talk about Quantum Computing, AI advancements, and Cloud Architectures.

Date & Time: Next Friday at 4:00 PM | **Venue:** Tech Lab 2 / Virtual Call.
Looking forward to your active participation and insights!

PART (D): AUTO-DELETING JUNK MAIL CONFIGURATION (RULES & BLOCKED SENDER)

Task Requirement: Configure Outlook account to automatically delete all incoming emails from a specific junk email account.

Sequence of Steps Performed:

1. **Method 1 (Inbox Rule Setup):** Navigated to *Home Tab* > *Rules* > *Manage Rules & Alerts*. Clicked **New Rule**.
2. Under *Start from a blank rule*, selected **Apply rule on messages I receive** and clicked Next.
3. In Step 1 (Select conditions), checked **from people or public group**. In Step 2, clicked the link and specified the junk email address: `spammer@junkmarketing.com`. Clicked Next.
4. In Step 1 (Select actions), checked **permanently delete it** (or *move it to the Deleted Items folder*).
5. Clicked **Finish** and turned on the rule.
6. **Method 2 (Blocked Senders List):** Alternatively, right-clicked an email from `spammer@junkmarketing.com` >
